

# Registering an interest in Castle Nursery's new birth to three provision

Castle Nursery is expanding its provision with a brand new birth to three setting at 8 Priory Road. We are very excited about this new venture as we feel this will complement our current setting very well, offering families a fantastic package of childcare over our two sites. We are planning to carry out some extensive refurbishment over the spring and summer period, and open the setting on 1<sup>st</sup> September.

We are inviting prospective parents to register their interest in a nursery place for the new setting now and we plan to send out registration forms in July, when we will be able to reserve and confirm places. If you would like to register your interest please complete the form below.
